The format for Sessions 2-4

Each session will include a moderator (a professional moderator provided by KRM), a session moderator (from CCAS), and three panelists. The format is:

10 min: KRM moderator opens session, explains the format, and introduces the speakers. CCAS moderator introduces the topic

60 min (15 minutes/panelist followed by 5 minutes of questions after each presentation):

Content presentations

15 min: Audience questions

5 min: Closing comments by presenters and CCAS moderator

Audience participation

Participants can submit typed questions at any point. These questions can be viewed by the moderators and panelists but not the participants. The KRM moderator will screen the questions and ask panelists to respond as time permits.
