3. To add members to the listserv click EDIT > SETTINGS > DIRECTORY SETTINGS > ALL DIRECTORIES.

NOTES

- **Universities with more than one college**—Change individual addresses by clicking the LOCATION tab and selecting the college to which they belong.
- **Add a college**—ORG PROFILE > CONTACT INFO and scroll to the bottom and click ADD NEW under 'Locations'
- **Change a billing contact**—Before making the billing contact 'inactive' you must first designate a new billing contact.
- **Give editing privileges to another person**—designate a fellow dean, associate dean, or assistant dean the ability to edit the member list (in addition to the billing contact). Click EDIT, then scroll down to the bottom and click the button CAN EDIT INDIVIDUALS from NO to YES.
